NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Co. mpany is now surveying a ditch from Sandy Creek, to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable The property will be sold for cash and unless parties from a distance, come in competition, it must be greatly sacrificed.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR
JAMES H. MOORE, Assistant and Local Editor.

THURSDAY, OCTOBER 6, 1870.

The Democracy came to the conclusion after the presidential election in 1868, that there was but *one* way by which they could regain control of the State. That one way was for *organize* and set to work the Ku Klux Klan. Orders were given, and the bloody work commenced in Jones county. The highest civil and military officers of the county were waylaid and murdered.—The organization prospered and extended its operation into Lenoir and Greene, and another portion broke out in Rockingham county.—*Standard.*

The first sentence in the above as well as the entire quotation, is false and grossly misrepresents facts. As the Radicals had succeeded in carrying the State in the Spring of 1868 by massing the negroes, through the agency of the Union Leagues &c., the Democrats determined to counteract it by making a similar effort to mass the whites at the Presidential election, through the agency of such secret political organizations as the "Constitutional Union Guards," "Democratic Unions," &c. These were purely political and designed to be wholly so. The organizations however, were not formed in but few counties before the Presidential election came off, in which the Democrats were beaten, and most of those organizations were at once laid aside or disbanded by them. This is the extent of the connection of the Democratic Conservative party with secret political organizations. From that time as a party, they have had no connection with them, and those were never State organizations, but were organized in but few counties. It is a bare faced falsehood which the "*Standard* iterates, when it says, "That *one* way was to organize and set to work the Ku Klux Klan."

So far as our information extends, no Democratic secret political organization existed in the counties of Jones, Lenoir or Greene at the time that most of the outrages occurred. Radical negroes and low down scalawags, are believed to have murdered the Foscue family, Col. Nethercut and others in Jones county, and the Miller family and others in Lenoir, and Hart and others in Greene. All these occurred before Ku Klux, at least Democratic Ku Klux, were heard of in the State, and were perpetrated by negro and white brigands, who belonged to the Loyal Leagues, if to any secret organization. As to the killing of Colgrove and others in Jones alluded to by the *Standard*, it was done, we learn, in broad day light, by concealed but not disguised persons. Colgrove's death is generally supposed to have been the result of private or personal malice, and it is possible that some who were supposed to have been the murderers of the Foscues, the Millers and Col. Nethercut, were punished in retaliation by their friends. The case mentioned by the *Standard* some days ago, in its atrocious article about Ku Klux, of the killing of five negroes in Greene, occurred in 1866 or 67, and their punishment though unlawfully administered, was inflicted because they had raped a respectable lady in the most brutal manner, not by organized Ku Klux, but by citizens whose feelings were outraged. It is false to state, that the organization prospered and extended its operations, because there is no proof that any such organization existed at that time, which received its orders to commit outrages. Indeed, we have no sufficient evidence that at any time there has existed, in the State, any organization of Democrats or Conservatives, who received orders from headquarters to commit outrages. There may have been local organizations among men claiming to be Democrats, who have committed outrages, such as was the case in Wilson county, among the Radicals, when the Loyal League ordered a negro whipped for voting the Conservative ticket.

A WORD OF WARNTH.—The editor of the *Fredericksburg News* writes to his paper from the Hot Springs:

"North Carolina gentlemen tell me that the avowed object of several prominent Radicals elected to the Legislature is to attempt to divide the Conservatives by stirring up bad blood between old Whigs and old Democrats—by mixing up national democracy in State affairs. Conservative journals will make a note of this, and stop all this nonsense about names."

We have heard such a story before, but have felt very little concern about it, knowing that no Democrat of Conservative worth a button, could be *green* enough, to be operated upon by the tallest Radical in the State. The old Democrats and old Whigs, who deserve the title and who adhere to their principles, can never consent to give "aid and comfort" to Radicalism, by encouraging dissensions among themselves. They are bent upon the destruction of Radicalism among us, and care nothing about old party names, if it should in any way promote Radicalism. Men who harp upon old party names at a time like this, and seek to promote the interests of this man or the other, *because* they were Whigs or Democrats, have strange notions of their responsibility to the State, or what patriotism is. If you ask us, what *we are*, and what *we are for*, we tell you emphatically, we are North Carolinians, and we are for the good and glory of North Carolina and her people and for the peace and prosperity of the nation. Whatever will promote those objects we advocate and defend, and hence we oppose Radicalism in all its forms.

All work on the Western North Carolina Railroad, West of Asheville, has ceased.—There being no funds to pay the contractors.

GEN. ALFRED DOCKERY.

The last Asheville *Pioneer* has the following sentence in an editorial, apologising for Gov. Holden's State Troop war upon the people of the State:

"The call for the militia to put down the Ku Klux Klan in the State, for which proceeding the Governor has been so much abused, was issued at the sanction and by the advice of the leading Republicans in the State, including Senators Pool and Abbott, Scott, Dockery, Mott, and in this action he was sustained by the National Government."

We copy the above to express our disbelief in the statement, that Gen. Dockery or Col. Dockery either, (as we do not know which the *Pioneer* means,) sanctioned or advised Holden's military furor. Nor do we believe that Mr. Scott or Dr. Mott advised it, however much they may be ready to apologise for it now. We call upon Gen. and Col. Dockery both to say, if at any time they advised it or have given it their sanction.

Many Republicans and Conservatives too, might have been favorable to organizing the militia, and if the exigency requiring it occurred, may have advised their being called out to suppress riot or aid in the enforcement of civil law, but we are sure that no friend of law and order, such as we take Gen. Dockery and the Colonel to be, could ever have sanctioned for one moment the organizing State Troops, *not "militia,"* such as Gov. Holden called out, (many of whom were brought from Tennessee and in many cases boys and others not subject to militia duty,) and for the purpose he alleged necessitated the call.

The editor of the *Pioneer* has been a good deal in Raleigh recently, and may have heard Gen. Dockery's name associated with the matter, and we feel it due to the Gen. who in other days, had many political and personal friends in the Western counties, to call his attention to the matter and give him an opportunity to contradict the statement, if it be not true.

PRUSSIA AND FRANCE.

The war news recently received has been somewhat favorable to the success of the French at Paris, but subsequent intelligence leaves the matter in doubt.

Prussia is fixed in her purpose to carry on the war to a successful termination. She is constantly making new levies, and will doubtless attack the French at all points where there are organized forces.

The terms of settlement proposed by Prussia, are such as the government and people of France, cannot accept without dishonor, and they seem determined to resist to the death.

The fall of Strasburg will soon be followed by the capitulation of Metz, and she siege of Paris will be prosecuted with vigor and caution, hoping to reduce it by starvation.

The movements of Russia against Turkey and the spirit of republicanism which seems to pervade most of Europe, give great anxiety to those who desire the peace of Europe. Italy will succumb to the demand of Victor Emanuel and it is probable that the Pope will be forced to leave Italy. It is rumored that he may make his home in the United States, but that will be a last resort. Europe will hardly consent to such a movement, without a great change in public sentiment.

CHURCH OF THE STRANGERS.—This Church under the pastoral care of Rev. Dr. Deems, worshipped on last Sabbath for the first time, in the late Mercer St. Presbyterian Church, New York, now the property of the Church of the Strangers. It had been thoroughly re-fitted and painted and was crowded by a large concourse of intelligent citizens. Ministers of nearly all the denominations of the city were present, and took part in the services on Sabbath and those held subsequently.

The sermon for the occasion of the first occupancy, was preached by Rev. Dr. Moran, Presiding Elder of the Washington District, North Carolina Conference, from the text, Ephe. 1c 10v. It is said to have been both very able and eloquent. Arrangements were made for services during the entire week. The unsectarian and Catholic character of the Church, being composed of Methodists, Episcopalians, Baptists, Presbyterians, Dutch, Reformed, &c., &c., made the occasion quite a sensation in the city. It is the first and only purely unsectarian Church in America.—What will grow of this movement, remains to be seen. The congregation has been gathered by the untiring efforts and eloquent preaching of Dr. Deems, and the Church was purchased by a check for $50,000 from Commodore Vanderbilt, whose young wife is a member of the Church of the Strangers.

ANECDOTE.—Gen. Hill, of the *Southern Home*, in exemplifying some point at issue between himself and Mr. Hanes of the *Old North State*, relates the following anecdote, saddling the authorship on Dr. Thomas P. Atkinson, of Danville, Va.

Miss Sallie Ann Wiggins, a Northern schoolmarm, taught a colored school in Danville, where she had a favorite named Judy, among her dusky pupils. She gave an exhibition at which she wished especially to show off Judy's attainments in spelling. The following scene then took place:

Miss Sally Ann—Judy, darling, spell scissors; that's a sweet honey.

Judy—S-i-z-z-u-r-s, scissors.

Miss Sally Ann—Now, birdie, you know that you are not trying. Try again.

Judy—S-i-z-z-u-r-s, scissors.

Miss Sally Ann—Now, Judy, you are just attempting to provoke me. Try again.

Judy—S-i-z-z-u-r-s, scissors.

Miss Sally Ann—You obstinate little niggar. You know better than that.

Judy—Ky, Miss Sally Ann, how I'se know better. If s-i-z-z-u-r-s don't spell scissors, what do it spell?

GEN. LEE.—Great anxiety has been felt at the rumor that Gen. Robert E. Lee had been attacked with paralysis, and that he had been speechless for several days. This rumor, we are glad to see, has been contradicted, and that the correct statement is, that he had not been attacked by paralysis, but was suffering from debility and exhaustion, from which his physicians thought he would recover in a few days.

For the Sentinel.

BOYDEN AND KIRK.

Editor of the Sentinel:

DEAR SIR.—It happens once in a while, that men are shown up in their true colors, by a small incident. I wish to bring to your notice a small matter that occurred at Salisbury, when Kirk's prisoners were carried from Alamance.

When the prisoners arrived, they were very soon delivered to the Marshal, and by him carried before Judge Brooks. Kirk was not seen for sometime after the prisoners arrived and were delivered. But it was necessary that the Railroad officials should see him, to ascertain when the train should return. One of them went to Messrs Boyden and Bailey's office, and enquired if Kirk was in. Mr. Boyden said "No!" The officer remarked, "I know he is." Mr. Boyden replied, "I tell you he is not."—"Oh!" said the officer, "I am all right, I wish to see Kirk in regard to the train's leaving." "Ah!" said Mr. Boyden, and walking back, presently Kirk came out, not as smooth faced as common, but with a false beard all over his face, with a long spiked tailed coat and an old slouched hat on, looking as if he had stolen something. If this be true, and I received it from good authority, Boyden ought to be indicted for secreting a *disguised man*, (a Radical Ku Klux) in his office and denying it; but then he can get Bailey to manage the case.

Our Superior Court Clerk is spending a good part of his time in Raleigh, it is said, for the purpose of getting his pay as Clerk to Kirk's, and Holden's Troops. Others say, that he is looking after "soapdanes," the time having arrived for him to renew his bond; but the Commissioners indulge him, being one of Holden's party.

Major Harden, Chairman of the Board of Commissioners, and a member of "Holden's Court Martial," I learn, has taken a very active part in throwing out many of our best men from the "jury box" for their political opinions, when the jury was revised for the next year. But you say, be short. So I quit.

ALAMANCE.

Graham, Oct. 3rd, 1870.

THE GOVERNOR OF FLORIDA.

The carpet-bag Governor of Florida has incurred the displeasure of his people. The trouble seems to be that he is a rogue of the deepest dye and has suffered the fact to leak out. It is hardly too much to say that all carpet bag officials at the South are rogues of the deepest dye, but it would seem, from the following conundrums propounded by a Florida journal, that Gov. Reed, of that State, is one of the very worst among the lot—that he is as bad, in fact, as Bullock of Georgia, which is saying a very ungrateful thing of him:

First—Is it true that Gov. Reed received a bribe of twelve thousand five hundred dollars from Littlefield and Swepson to call the Legislature together and use his influence in their behalf for the passage of railroad bills by which, it is said, Littlefield had already pocketed nearly four millions of dollars of the people's bonds?

Second—Is it true what is said of Littlefield in the above paragraph? Perhaps Littlefield may care to answer himself.

Third—Is it true that Governor Reed stole and pocketed one-half of the eight thousand dollars said to have been handed him by Judge Westcott to put in the Florida State Treasury?

Fourth—Is it true Governor Reed stole and pocketed all of the eleven hundred and forty dollars said to have been handed him by —n Roberts, to go into the sinking fund?

Fifth—Is it true Governor Reed paid one hundred and fifty dollars for printing certain bonds, and charged the State of Florida seven hundred and thirty dollars for the same work?

Sixth—Is it true that Gov. Reed gave passes to a number of his friends and charged the State for them, and appropriated the money to his own use?

Seventh—Is it true that Governor Reed forged a statute, authorizing him to receive the agricultural land scrip which Congress gave to Florida to educate her children, colored and white, and took it to Washington, and would have succeeded in stealing the whole amount had he not been followed by Mr. Chase, one of his own cabinet, and stopped in the very act?

Eighth—Is it true that Governor Reed, as one of the Board of Internal Improvement, gave one million one hundred thousand acres of the Florida people's land, at a single clash, to a mythical company in New York, of which he is supposed to be a very large stockholder?

It is to be hared that all these questions must be answered in the affirmative. There can be no doubt that Governor Reed ought to be in the penitentiary.—*Exchange.*

GRAPE VINE TELEGRAMS.

The kind operator, to whom we have been already indebted so often for telegraphic favors, was in Washington on the 10th inst., and heard the loyal pow-wow over reconstructed North Carolina.

Gen. Grant said: "That Holden fellow aint worth a d——. He has been here a dozen times with a rigmarole about Ku Klux and never even brought me a cigar."

Horace Greeley said: "He is grossly ignorant too. Why I read out at our last interview that he had never read my book, 'What I Know about Farming.' But he is skillful in altering figures."

Wendell Phillips said: "There will be no peace at the South until you appoint Provisional Governors from the race to which I wish I belonged—that race which has played so glorious a part in all past history—the noble African race. See my lectures, *passim.*"

Charles Sumner said: "The Republican party is dead, unless we revive the old hatred against rebels. Loyalty *breeds* not rebellion. My head is sore at the recollection of the rebel *Orion* that beat their own brothers."

Mrs. Grant said: "A sermon from Bishop Simpson would stir up the loyal heart."

Ward Beecher said: "A prayer from Rev. O. B. Frothinghasm on the inalienable right of adultery would hold the loyal party together."

Gen. O. O. Howard (the Christian Kleptomaniac) said: "The party of great moral ideas will break up, unless it is granted the undoubted privilege of appropriating the public funds to religious and patriotic uses. Behold the grandeur of the Howard University!"

General Sherman said: "The German campaign is bound to be a failure; nothing *brilliant* about it, sir,—no house-burnings, no barn-burnings. A paltry affair, sir. Study my march to the sea, sir. That will give you an idea of Christian warfare. Your Germans are dull fellows, sir; they are behind the age."

The operator says that he don't exactly see the connection between the remarks of General Sherman and affairs in North Carolina. But the mind of the great soldier seemed pre-occupied and he evidently was thinking about the contrast the New York *World* had made between German civilization and American barbarism, as shown in their manner of carrying on war respectively.—*South-ern Home.*

The New York Tribune is next year to build itself a magnificent new office on the site of the present one.

Miss Kate Field, the lecturer, is ahead of most young ladies she has one hundred engagements on hand.

MAYOR'S COURT.—There was nothing for His Honor to do yesterday morning. Not a single case was on the docket.

ALMOST A FIRE.—On Tuesday night, a musquito netting, over a bed in one of the upper rooms of the store on Wilmington street, occupied by the Leach Brothers, took fire from being placed too near a gas burner. The netting was consumed together with a portion of the bed clothing. A colored person fortunately happened to be in the room, and succeeded in extinguishing the flames before further damage was done.

A RULE.—We have said repeatedly we *could not* publish communications written on both sides the sheet of paper; we have also said we *would not* publish communications unaccompanied by a responsible name, and we now say we *cannot*, for want of space publish long communications unless very well written on vitally important subjects. A regard to the above will save time, paper and postage stamps.

SYNOD.—The Synod of the Presbyterian Church of North Carolina, convened in this city last night. The opening sermon was preached by Rev. Mr. Rankin.

After the close of the sermon, the Synod was organized by the election of Rev. S. A. Stanfield, of Red House, Moderator; Rev. Jacob Doll, of Yanceyville, Stated Clerk, and Rev. F. H. Johnston, of Lexington and Mr. A. T. Summey, of Asheville, temporary Clerks.

And the Synod adjourned to 9½ o'clock this morning.

OUR POPULATION.—It is thought that the population of our city will amount to 7,700, and that of the township will approximate 10,000.

FASHIONABLE TAILORING.—Frenchmen are proverbial for their exquisite taste in matters of dress &c., and Monsieur Besson forms no exception to this rule. Mr. Besson has just returned from New York with a splendid assortment of cloths and is prepared to make suits for customers in the best possible style. He guarantees all work coming from his establishment to give perfect satisfaction both as to quality and workmanship. Mr. Besson can be found on Fayetteville street, just opposite to the Market House, and will take pleasure in showing his goods to those who call on him.

RUMOR.—It was rumored here yesterday that Solicitor Bulla did not send a bill before the Grand-Jury of Caswell, at Yanceyville, this week, for the indictment of Wiley, Roan and Mitchell, bound for their appearance there on a charge of murdering Stephens, by Judge Pearson. We learn that the Solicitor declared he could see nothing in the evidence to justify an indictment.

SCHOOLS IN EAST WARD.—We are requested to state that two schools for white children will be opened in Eastern Ward, on Monday next; one at Baptist Grove under charge of Ettie Sykes, and one at the Womble school house, near the Cemetery, under charge of Mr. J. K. Miller. Schools will be opened in the other wards as soon as the necessary arrangements can be made.

TRINITY COLLEGE.—A revival of religion, of extraordinary power is in progress at Trinity. Not only the College, but the town and county round about are deeply interested. Many have been converted and the altar is still crowded with penitents.

RETURNED.—Rt. Rev. James Gibbons, Catholic Bishop of the Diocese of North Carolina, passed through Weldon on Tuesday, *en route* for Wilmington.

The Rescue Steam Fire Engine will go out to-day, for trial, at 3 o'clock. The trial will take place at the Insane Asylum. The Company will go there at 3 o'clock and take the Engine back to the house.

By order of the Foreman.

J. C. GORMAN, Secretary.

PEARLS AND RUBIES.—When rosy lips part, pearls should glitter behind them.—To preserve and beautify the dental enamel; there is no preparation like Sozodont, a compound of the most wholesome, vegetable antiseptics, among which the Bark of the South American Soap Tree, known to the natives as *Quillay*, and used by the Spanish Americans for cleansing without impairing, the most delicate fabrics, is the most important.

A WORD TO THE ELDERLY.—Nobody luv bees to gray. That's human nature. Every body detests the hair dyes and the sedimental "not-a-dyes." That's human nature too. PHALON'S VITALIA, OR SALVATION FOR THE HAIR, which literally rejuvenates gray hair, is free from the filth and sediment, which defile the dyes and "not-a-dyes."

Sold by all druggists and fancy goods dealers.

CASH CAPITAL AND ASSETS OVER $200 000.

Having taken the General Agency of the State for the above Company, we are prepared to write risks in all parts of the State upon Dwellings, Barns, Factories, Gin houses and other property, at reasonable rates. Agencies established in all parts of the State. Applications with necessary instructions mailed to address.

MARTIN & FINCH, GEN'L AGT'S.,

sept 29-3m* Raleigh, N. C.

HUMAN NATURE AND NEW BONNETS.—There is a much more intimate connection between these two subjects than one would at first imagine. It is perfectly in accordance with human nature for a man to kiss his wife, and the prettier and sweeter she looks the more he kisses her. It is equally in accordance with human nature for her to look sweet and pretty when she gets a new and fashionable bonnet on; this is because of the exterior ornament and the internal satisfaction it produces.

It is also in accordance with human nature for the young fellows to admire the girls, and they are apt to admire them more in a pretty, sweet, jaunty, "saucy" hat than they will in an uncomely piece of head gear.

Therefore, the ladies, married and single, can, by calling on Mrs. Young and Mrs. Taylor, over Alfred Williams' Bookstore, suit, each one herself, with that peculiar style, size and color of a hat or bonnet which best becomes her, and thus, according to the laws of human nature, render herself irresistibly attractive in the eyes of the one she wishes to please.

These ladies have a very complete and elegant assortment of goods in their line, and fastidious indeed must be the taste that cannot be suited from their stock. Call and see them.

SUPERIOR COURT.—This tribunal finished calling over the cases, 439 in number, on the civil docket yesterday, and at 11 o'clock, the criminal docket was taken up, the third day of the term instead of the first as the law requires.

Wm. Stinson and George Dollar, both colored and both charged with rape—Stinson on an old white lady sixty odd years of age, and Dollar on a little white girl under ten, were arraigned for trial. Stinson's trial was set for Friday of this week, and Dollar's for next Tuesday. For the former a special venire of 50, and for the latter of 25, was ordered. The Court assigned Messrs. A. M. Lewis and R. H. Badger as counsel for Stinson, and Messrs. R. H. Battle, Jr. and Wm. Mason for Dollar.

There are some twenty or twenty five criminals in jail awaiting trial for offenses of various kinds, besides a large number on bail, and we have no idea that half of them can be reached at this term.

REVIVAL.—An interesting meeting has been in progress for some days among the Methodists at the City Mission Chapel, in charge of Rev. Mr. Gibbons, in this city.—Some twenty persons have made a profession and others are at the altar. We are sorry to learn that some of the boys and youths of the "baser sort," have disturbed the exercises, and we call the attention of the Mayor to the fact. A young man who behaves badly at Church, advertises himself to the public at once, as without breeding and a rowdy. Boys behave yourselves.

STATE FAIR.—We are requested to state, that the officers of the Society, have just received the disagreeable intelligence, that the proprietor of the Road Locomotive and Traction Engine in England, has been unable to ship the engine in time to be at our State Fair. The proprietor and his agent at New York express the deepest regret at their failure, but it was wholly unavoidable.

Judge Battle's argument before Justices Dick and Settle, on the application by Josiah Turner, Jr., for a bench warrant, is unavoidably crowded out to-day. We have also a lengthy communication from "Beaufort," which will be inserted as soon as our space will allow.

THE GREAT FRESHET.—The news from the great freshet in Virginia continues to disclose the most disastrous effects. The loss of life added to the immense loss of property are enough to excite the sympathy of the whole country.

MUSICAL.—Peters' Musical Monthly for October is received, published by J. L. Peters, 599 Broadway New York; price $3 per annum. We very cheerfully recommend this musical monthly to all who desire to keep posted in the new music of the day.

JUDGE GILLIAM.—We are pleased to learn, that our friend Judge Gilliam is recovering.

APPOINTMENTS.—Gov. Holden has appointed Calvin J. Cowles, J. W. Bowman, Jas. J. Henry, W. G. Candler, Tod R. Caldwell, C. L. S. Corpening, W. H. Howerton and J. J. Mott, as Directors of the Eastern Division of the Western North Carolina R. R. and Tod R. Caldwell as State Proxy.

W. W. Rollins is appointed State Proxy of the Western Division of the Western North Carolina R. R. *vice* G. W. Gahagan deceased.

OTHER SPECIAL PREMIUMS.—We have been informed that A. J. Ruijes, Esq., Proprietor of the National Hotel, in this city, has offered a special premium of $5 for the best specimen of Irish potatoes and $5 for the best butter, exhibited at the State Fair.

BUSY.—Yesterday our merchants seemed to be busy as bees. The crowds of country people that come to attend Court enliven the streets and give an impetus to trade.

A negro in ambush fired on the mail carrier, between Newbern and Bay River, last Friday. He missed his aim, but so frightened the horse that he ran away and threw the mail carrier out of the buggy, dislocating his shoulder.

THE N. C. LAND COMPANY.—All who wish to buy, sell, lease or barter real estate in North Carolina, can gain all the information they need, from the North Carolina Land Company of this city. The extensive means for gaining the kind of information that persons most need who wish to purchase land in the State, render the Company a peculiarly useful agency to such persons, who, by the information obtained from them, may be saved a great deal of time and expense in selecting suitable locations.

IMPORTANT TO ALL WHO VALUE THEIR SIGHT.

THE SIGHT OF THE AGED ASSISTED, THE WEAK STRENGTHENED AND THE PERFECT PRESERVED.

The Celebrated Concave Convex Crystal Spectacles, and Eye Glasses manufactured by the

PHILADELPHIA OPTICAL INSTITUTE,

HAVE now been a long time before the public, and the rapid and increasing demand for them, combined with the universal acknowledgment of their clearness and vision and ease to the eye, shows plainly that they are superior to any other glasses in the market.

The advantages claimed for the Concave Convex Crystal Glasses are the following:

The Lenses are ground of the best material pure and hard, and made only for optical purposes, they are therefore not liable to get scratched or dim.

They confer a brilliancy and distinctness of vision not found in any other glass.

They can be used equally well by day or candle light without tiring or fatiguing the eyes.

They are ground mathematically true in the concave convex mirror, according to the philosophy of nature, and shape of corner of the eye, therefore assisting nature only instead of forcing it.

That the lenses are centered correct into the frames.

They can be used longer than any other glasses without changing to a higher power.

The frames are made strong and durable by experienced workmen and warranted to give satisfaction.

With a view to meet the increased demand for our celebrated Spectacles, we have appointed an agent for this neighborhood, as stated below, who has received all needful instructions, and will, in all difficult cases, have the assistance and consultation of a practical Optician from the Institute here.

NORWICH, Oct. 5.—The Democrats gain three hundred in this city, by the election of the first Selectmen. The Democrats gain Colchester, Stonington and Lyme. The Democratic gains in Norwich are not very large. Many of their gains are due to the storm.

NEW ORLEANS

NEW ORLEANS, Oct. 5.—Deaths yesterday from yellow fever amounted to 9.

VIRGINIA.

LEXINGTON, Oct. 5, *via* STAUNTON.—Gen. Robt E. Lee continues to improve and is quite cheerful and communicative.

NEW YORK.

NEW YORK, Oct. 5.—No further cases of yellow fever have occurred in the city, though some additional ones are reported on Governor's Island.

MISSOURI.

ST. LOUIS, Oct. 5.—It is reported a coal mine at Caseyville, Illinois, caved in, burying 35 men.

OHIO.

CINCINNATI, Oct. 5.—The Convention assembled. A large amount of business was introduced and referred to the proper Committees.—A Commission on the Trans-Continental Railroad was created. A resolution in favor of the intervention of the United States to secure a speedy peace between the Republic of France and the Kingdom of Prussia was tabled, but was finally referred to a special Committee of five.

FOREIGN.

LONDON, Oct. 5.—Smith Lewis, a Banker, well known for his munificent charities, was killed yesterday by a fall from his horse.

It is believed that England and Russia are actively engaged in negotiating an arm atice.

Reports are current that both the Mecklenburgs will be incorporated with Prussia. The Grand Dukes will be compensated by the cession to them of Alsace and Lorraine.

A large meeting of German Catholics is about occurring at Fulda to consider infallibility.

The French army, now in Algeria, numbering 27,000, demands a recall to resist the Prussians.

M. Lamon, editor of the Paris *Pays*, has been arrested. The charges have not transpired.

COPENHAGEN, Oct. 5.—The Budget for 1871 was laid before the Chambers yesterday and is very satisfactory.

TOURS, Oct 5.—It was announced to-day that the governmental delegation will be sent from here to be established in Lille, in case of any greater interruption of the lines of communication. No serious engagement has occurred near Paris, other than those already described. The Government receives intelligence from Paris with tolerable regularity. The daily journals here notice the manifesto of Napoleon, lately published in London.

The authorities here have not yet been apprised of the fact that the manifesto is most probably a forgery.

It is reported to-day that there is fighting near Orleans. A despatch from Belfort says that the franc-tireurs defeated a detachment of the new Prussian army which recently crossed the Rhine near Colmar.

Dispatches tending to establish the reported death of Gen. Moltke are published to-day. It is reported that the franc-tireurs recently blew up and destroyed the Railway for a long distance near Saverne, and that the Prussian communications are badly interrupted in consequence. Lutz one of the members of the committee of National defence and delegate of the government has been arrested by the Mobile Guard at Besancon. The nature of the charges preferred against him re unknown.

MADRID, Oct. 5.—The vomito has spread to the city of Alicante. The citizens are leaving the town. Olozaga's resignation, as Minister to France, has been formally accepted. Heavy rains have fallen in Valencia recently, and streams are swollen to an unusual height. Much damage has been done.

CHALONS, Oct. 5.—The Prussians gained some advantage near Epernan yesterday which opens the place to them. The Mobiles and Lancetireurs fought bravely but were unable to stand the enemies artillery.

FONTAINEBLEAU, Oct. 4.—A detachment of Prussians, several hundred strong, attacked the franc-tireurs near here to-day and were handsomely repulsed. The Prussians retreated towards Chailly.

BERLIN, Oct. 5.—The official manifesto dated Wilhelmshohe, and signed by Napoleon, is unknown here and is doubtless apocryphal.

MARKETS.

NEW YORK, Oct. 5.—Cotton is good demand and firm, sales 4,800 bales Uplands 16¼; Flour, State and western a shade firmer, superfine 4 90 to 5 10, Southern steady, common to fair extra 5 45 to 6 15; Wheat dull; Corn scarce and firm at 87 to 88; Pork lower at 23¾; Lard steady, kettle 13¾ to 14; Whisky 88¾ to 90; Naval stores firm. Money easy 4 to 6; Sterling dull at 9; Gold 13; Government closed dull; 6ds 12; Southern bidding prices generally higher.

LIVERPOOL, Oct. 5.—Cotton closed firm. Uplands 8, Orleans 9, sales 10 000 bales.

SCARCE.—Mullets are very scarce in this market. Our Eastern friends would do well to supply the demand.

The census returns of Craven County show a population of 20,931.

The election takes place in South Carolina on the 19th inst.

CLOSED FOR THE SEASON.—The Macon House at Morehead City, has been closed for the season, and Mr. Pepper, who gave his personal attention to the House during the season, has returned to his post at Raleigh, ready for the approaching game and oyster season.

JNO. W. THOMAS.—We stated last week, that the controversy between Mr. Thomas and Messrs. March and Hampton had been compromised. As a matter of justice to the parties, we publish the annexed official statement of the settlement:

"In the case of the State against John W. Thomas an amicable compromise has been made, as follows, to-wit:

1st. By request of the prosecutors, Wm. S. March and E. D. Hampton, a *nolle prosequi* in said case was entered.

2nd. The case having arisen out of a misunderstanding between the said March, Hampton, and Thomas in regard to the settlement of a complicated partnership account, the said matter of misunderstanding has been fully adjusted by the interposition of mutual friends; and the said March and Hampton do hereby withdraw the charge of perjury against the said Thomas, unconditionally."

(Signed.) W. B. MARCH,
E. D. HAMPTON.

For the Sentinel.

MORGANTON, Sept. 30th, 1870.

MR. EDITOR:—You will confer a favor upon some of the inquisitive readers of your paper, by informing them, through the SENTINEL, what Judge Settle is "up to." He passed through Morganton, this week, interviewed "Mars Tod," and has gone, we learn, to Boon, Watauga Co.—There is some mischief brewing no doubt.

OBSERVER.

THE SECRET OF THE MATTER.—It is really wonderful, the number of members of Congress all over the country declining a renomination on account of "the necessities of private business." It is another remarkable circumstance that most of these gentlemen who so pointedly refuse to present themselves before the people again voted for keeping up the abominable income tax. Perhaps they find that the people rather prefer that they should hereafter give their attention to their private business.—*Wash. Star.*

THE PAIN KILLER.

This celebrated medicine has won a deservedly high reputation as an alleviator of pain and a preserver of health. It has become a household remedy, from the fact that it gives immediate and permanent relief. It is a purely vegetable preparation, made from the best pharmaceutical materials, safe to keep and to use in every family. It is recommended by physicians and persons of all classes, and to-day, after a public trial of thirty years—the average life of man—it stands unrivalled and unexcelled, spreading its usefulness over the wide world. Its large and increasing sale affords positive evidence of its enduring fame. We do not deem it necessary to say much in its favor as one small bottle will do more to convince you of its efficacy than all the advertisements in the world. Give it one fair trial and you would not be without it for ten times its cost.

Directions accompany each bottle.

Sold by all Druggists.

Price 25 cts., 50 cts., and $1 per bottle.

Done at our City of Raleigh [L. S.] this 3d day of October, 1870 and in the year of the Independence of the United States the ninety-fifth.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,

HARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000 000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000 000.
6. Such payments are made in cash, and not partly in cancelled notes, as in the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $1 500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as in the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other LIFE Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December 1, 1869, was $51,021,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $15,000 000 greater than any other company.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

RALEIGH, N. C.

SUCCEEDS HIS FATHER IN THE AGENCY OF THE

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000 000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the Hull direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

T. H. BRIGGS, Esq.: Dear Sir:—I used the "Utley Cotton Press," I purchased from you last season, and consider it to be the best Press I ever saw. Having packed bales to weigh from five hundred and ninety (590) to six hundred and twelve pounds (612.) I consider it the best and most durable Press I ever saw used, and can cheerfully recommend it for use to the farmers of North Carolina.

Yours truly,

Mr. THOMAS H. BRIGGS: Dear Sir:—Yours of 12th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the pans upon which the Utley Press works cheaper, simpler and more durable than any I have met with.

Yours very respectfully,

LIFE INSURANCE AS AN INVESTMENT.

THE

Widows & Orphans

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES, on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Definite surrender values guaranteed*" as an inducement to new business, but reference is made to the average amount paid on each surrendered policy as shown by New York Insurance Reports, 1869 in addition of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of *several hundred* policies held in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Portioned Dividends*" are not declared but Dividends are given from the actual surplus in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
